

CHRISTMAS COMPASSION PROJECT

Compassion for the Next Generation

HEY YOU(TH)! DO SOMETHING DIFFERENT THIS CHRISTMAS & GIVE THE GIFT OF COMPASSION

THE PROJECT: DISTRIBUTE CHRISTMAS DINNER BOXES

In the spirit of Christmas and compassion, LIME has partnered with IC Kidz and Luz y Vida-Norte to provide and share Christmas dinners with families in need in the neighborhood of North Long Beach.

LIME will be giving out the boxes with the Christmas dinner at La Posada on Saturday, December 17th, 2011. We would love for any youth you know to participate.

ABOUT

LIME desires to see the next generation be transformed into people of compassion through learning in a small group setting and participating in projects that focus on selfless service and authentic love. It is one thing to do an act of compassion. It is another to make it a lifestyle.

We invite youth to learn what it means to be people of compassion and love toward families in need in our local community with a time of interactive learning and hands on interaction.

IC Kidz and Luz y Vida-Norte are hosting a Christmas party called 'La Posada' at Ramona Park, a Christmas tradition from Mexico. They are providing an opportunity for families in need to celebrate Christmas through giving gifts to the children, free food, grocery gift cards, music and entertainment, and much more. LIME will be giving out the boxes with the Christmas dinner at this event.
