

# CHRISTMAS COMPASSION PROJECT

Compassion for the Next Generation

## THE PROJECT: SPONSOR A CHRISTMAS BOX \$25

In the spirit of Christmas and compassion, LIME has partnered with IC Kidz and Luz y Vida-Norte to provide and share Christmas dinners with families in need in the neighborhood of North Long Beach.

LIME has a goal of providing 200 boxes that contain food for Christmas dinner that can feed an entire family. Each box costs \$25 and will include a canned ham, non-perishable goods, and some fresh fruit and produce.

## ABOUT

LIME desires to see the next generation be transformed into people of compassion through learning in a small group setting and participating in projects that focus on selfless service and authentic love. It is one thing to do an act of compassion. It is another to make it a lifestyle.

LIME also would like to invite anyone that wants to participate in a tangible act of compassion this Christmas to consider providing a Christmas Dinner Box for the families in need in North Long Beach. You can make a big difference with as little as \$25 this Christmas.

## DONATE NOW

The cost of each Christmas Dinner box is \$25. You can sponsor a single box, multiple boxes or make a donation of any size. No amount is too small. The donation is fully tax deductible.

Please mail your sponsorship check to: LIME  
10621 Calle Lee, Building 141  
Los Alamitos, CA 90720

We would appreciate receiving donations by **Wednesday December 14th, 2011** so that we can purchase the groceries and fill the boxes.
